Memorandum

TO: Shelby County Commission
FROM: Jeff Sanford, President
DATE: April 27, 2009
RE: Center City Commission FY 2010 Operating Budget

We are pleased to present the Center City Commission's proposed FY 2010 Operating Budget, which has been reviewed and approved by the Center City Commission's Board of Directors. Highlights include:

- For the eleventh year in a row, no County funds, property tax or otherwise, are being requested.
- It is a balanced budget; expenses are slightly less than FY '09.
- Additional funds have been reserved to accommodate anticipated higher rate of reappraisal appeals.
- A hiring freeze on fulltime employees.
- A reduction in the use of part time employees.
- No employee compensation increases for at least six-months.
- Continued deployment of private contract security officers in the Downtown core to combat aggressive panhandling.
- A major marketing and promotion campaign, including additional special events, to support Downtown businesses during the recession.

We respectfully request the County Commission's approval of the FY 2010 operating budget so that we can continue to lead the Downtown turnaround. Thank you very much for your consideration and for your continued partnership.
